

The Oahu Chapter of the Hawaii Association of Public Accountants presents its

September 2023 After Seminar Event

Good food, beer and fun !

Please join us in an evening of networking, learning and enjoyment with delicious food and unique beverages to be held immediately after the Walter Haig seminar on Friday, September 29, 2023, at the Manoa Grand Ballroom. It will feature dinner prepared by Bamboo Catering and you will be introduced to locally made Ginger Beer created by Bitter Root Brewery. Bitter Root Brewery is a new Hawaii company producing its superb alcoholic and non-alcoholic beer made from ginger root. The recipe and production process were developed by University of Hawaii students. This is not sold in retailers at this time. Come support our young entrepreneurs. This may be the next big business launched in Hawaii.

The event is free to:

In person participants of the 2023 Walter Haig Accounting and Reporting Standards - Update and Review Class
